Plan on working on eLearning during school hours as much as possible.

Establish a schedule and stick to it!

Log in daily to Clever(K-2) and/or Canvas 3-12) to check for assignments and instructions. Students should check each course for assignments.

Middle School and High School students should check for communications from their teachers in the morning and in the afternoon each day.

Helpful Tips - It is always a good idea to compose work in a Google Doc and then copy and paste into text entry boxes on Canvas.
