

North Central Parke Elementary School's Parent-Teacher Compact 2021-2022

Working together is necessary to promote the high academic standards for our students at North Central Parke Elementary Schools. As teachers, families, students and community members, we agree to support student success in school and in life by fulfilling our individual responsibilities.

School Responsibilities

- Provide high quality instruction with data-driven curriculum that is interesting and challenging and promotes student achievement.
- Set high expectations, foster a love for learning, and help every child be successful while meeting the Indiana Academic Standards.
- Motivate students to learn and grow to their fullest potential.
- Actively participate in collaborative decision making during grade level meetings, staff meetings, and professional development opportunities.
- Work with families and colleagues to make schools accessible and a welcoming place for families.
